MIAMI, FL – (2/15/2005) – Risk & Re-Insurance Solutions Corporation (“RRISC”) announced today the hiring of Enrique Venegas and his appointment as Vice President. Mr. Anthony (Tony) Mirabal, President of the firm said, “We are delighted to have a professional of Mr. Venegas caliber join our team. It is not often you find an individual with the qualifications, experience, background and skills of Enrique; he is a perfect match for our organization”.

Prior to joining RRISC, Enrique served as manager in the Financial Risk Management practice of KPMG LLP., based in New York City. While at KPMG, Enrique assisted clients in designing and implementing risk management and alternative risk financing mechanisms. Enrique also worked in global insurance and reinsurance brokerage operations; including working for SUMA (Willis in Colombia) for 5 years developing and structuring insurance products for financial institutions and negotiating their placement in various insurance and reinsurance marketplaces.

Enrique Venegas has a bachelors’ degree in Business Administration and Finance in addition to extensive course work in industrial engineering. He holds a Masters in Risk Management and Insurance from Georgia State University.

Risk & Re-Insurance Solutions Corporation (RRISC) is an independent reinsurance intermediary and risk advisory firm specialized in delivering reinsurance solutions to its clients as well as risk management and risk financing consulting services. RRISC is a privately held company headquartered in Miami Florida; organized and licensed as a reinsurance intermediary.
